jurisdiction in assigned cases and, with the consent of the parties, enter final orders on dispositive motions, conduct trial, and enter final judgment which may be appealed directly to the Ninth Circuit Court of Appeals (instead of a district judge).

Parties are encouraged to consent to the jurisdiction of a Magistrate Judge by signing and filing the (attached) Consent to Jurisdiction by a United States Magistrate Judge and Designation of the Normal Appeal Route. There will be no adverse consequences if a party elects not to consent to a Magistrate Judge. A Magistrate Judge, however, may be able to resolve a case earlier as they are primarily assigned only to civil cases.

Additional information about United States Magistrate Judges in the District of Oregon is available on the Court's website.
